"And the Youth Shall See Visions"

by Debbie Friedman

Today's the day I take my stand,
the future's mine to hold.
Commitments that I make today
are dreams from days of old.
I have to make the way for
generations come and go.
I'll have to teach them what I've learned
so they will come to know

That the old shall dream dreams,
and the youth shall see visions,
And our hopes shall rise up to the sky.
We must live for today,
we must build for tomorrow.
Give us time, give us strength,
give us life.
