

# Shared Moments Shabbat

Friday, August 28      Congregation  
6:15-7:15 PM      Beth Israel

*It's time to begin again.*

As summer gives way to a New Year, we invite you back to the Sanctuary for a special evening of reunion and renewal. Featuring prayers and melodies we've come to love, participation from our Congregation's teens, and the joyful sounds of an extended band, this service is a celebration of the relationships and shared experiences that unite our community across generations.

Following the service, we invite you to stay for a buffet-style dinner in Wolff-Toomim Hall. Cherish this time with family and friends, meet new people, and enjoy unhurried conversation around the table—our first shared moment of the New Year.

Whether you're returning after a summer away, new to Beth Israel, or simply continuing your weekly tradition, the time is now to come home, again. We can't wait to see you.
