Angels in Jewish Life, History, and Literature

*Four consecutive Tuesdays from 2:00 to 3:00 PM
August 11, 18, 25 & September 1*

Lewis President's Room · In person only

Led by Dr. Tom Cole, Director of the Center for Spiritual Direction, this educational series will explore the evolving role of angels in Jewish tradition. Together, we'll examine accounts of angelic encounters in various forms: a voice, a light, a touch, a vision, or even an unexplained experience of being saved from danger, illness, or disaster. Through guided meditations, participants will be invited to open their imaginations to the possibility—or perhaps the memory—of angels at work in their own spiritual lives.
